Wells Fargo supports, Anchorage, Mat-Su and Fairbanks Clubs

Wells Fargo has long been a supporter of Boys & Girls Clubs in Alaska, and this time is no different. Wells Fargo granted Clubhouses \$5,000 in support of programming in three areas of Alaska; Anchorage, Mat-Su and Fairbanks.

These Clubs are a staple in their communities as affordable and accessible after school care for youth 7 - 18 years of age. With the Wells Fargo contribution, we can assure that these Clubs remain the positive place for kids and teens as the place they turn to when needed.

As the New Year begins, the Clubs have a lot of exciting opportunities for kids. Mountain View and Northeast Clubs in Anchorage are **FREE** membership registrations, and other areas are **ONLY \$40**, if needed scholarships are available.

Programming for youth with these funds are going towards **Project Learn and Career Launch/Job Ready and Money Matters. Project**

Learn is an after school homework help hour program and high yield learning activities; while **Career Launch/ Job Ready and Money Matters** are workforce development programs for teens!

Thank You

Wells Fargo
